

Counselor's Corner

Next week (May 11, 12, and 13) is the big MCT2 Test! It's important to remember that you can do this! Keep your confidence and show everyone how much you know! It's also very important to get a good night's rest each night before the tests, eat a high-protein, low sugar breakfast, and wake up in plenty of time to not rush the mornings of the tests. We know that you will do great!
