A message from the Principal...

Dear NBE Family,

Once again we welcome you to what promises to be an exciting school year at North Bay Elementary School. We have had one year to settle into our new state-of-the-art school building. Even though our campus is new, it is constantly evolving. This past year saw the re-installation of our Kaboom playground equipment and the installation of a second computer lab on the 5th grade side of the campus. We are extremely grateful to the Mississippi Chapter of the National Education Association for the grant which allowed us to purchase additional playground equipment.

The list of educational resources available to our students and teachers is growing as well. We are grateful to our local school board and our central office personnel for their continued support.

The hallways and classrooms are clean and bright; the teachers and staff are ready and eager to welcome and work with our new and returning students and their parents. We had a great 2010-2011 school year in many aspects. Our challenge for 2011-2012 is to surpass the achievements of the past as we do everything in our power to prepare our students for the next step in their educational careers.

Let's work together to make our school, our district and our community the best they can be. Our kids deserve nothing less.

Sincerely,

Myron Labat, Sr.

ADMISSION REQUIREMENTS

In order to enroll, a student's parent or guardian must reside within the Bay St. Louis-Waveland School District. Residency must be verified (2 documents) with a school official at the time of the student's registration. A transcript of the student's work must be received from the school last attended. A student may be temporarily enrolled before the transcript is received provided the student can present evidence that he has officially withdrawn from the previous school.

Students enrolling from a non-accredited institution or home schooling must be administered a grade placement test before a grade level is assigned.

To be eligible for kindergarten, students must be five (5) years old on or before September 1, 2011. First graders must be six (6) on or before September 1, 2011.

In addition to the residency requirements, all new students who enter from another state must present a birth certificate and a Mississippi Immunization Compliance Form, which may be obtained from the Hancock County Health Department on Longfellow Drive.

COMPLIANCE POLICIES

Bay St. Louis-Waveland Schools are in compliance with Title VI of the Civil Rights Act of 1962, Title IX of the Educational Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, and Family Educational Rights and Privacy Act of 1974.

The Bay St. Louis-Waveland School District assures that no one shall, on the grounds of race, color, national origin, gender, or handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination in any program or activity of the school.

CONTACTING PARENTS

It is the responsibility of the parent/guardian to provide current telephone numbers which will permit school personnel to reach a responsible adult at all times. Parents/guardians must inform the school of any changes in telephone numbers and/or addresses. Parents/guardians are advised that if a responsible adult cannot be reached after good faith efforts have been made by school personnel, the Department of Human Services and/or the appropriate police department may be contacted for assistance.

ARRIVAL AND DEPARTURE TIMES SCHOOL HOURS

**7:55-3:15 P.M. North Bay Elementary
Office Hours 7:00 - 4:00 P.M.**

Students are **NOT** to arrive on the school campus prior to 7:00 A.M., 55 minutes before the beginning of the school day, when teachers report for duty. The school will not assume responsibility for any students arriving on school grounds prior to the stated time unless they are transported by school bus. Students are to leave campus at the end of the school day unless they are participating in a supervised activity and under the direct supervision of a teacher. Any student remaining on campus more than 15 minutes after the dismissal bell (3:30 P.M) or the end of a school related activity without the expressed permission of the principal may be referred to the appropriate police department for suspicion of “child in need”. School personnel are on duty to supervise students between 7:00 - 3:45 at NBE.

Bicycle Riders

Bicycle riders are subject to all rules governing student arrival and departure times. Bicycles are to be walked off the campus. Students should not ride until they have passed all walking students and are completely off the campus. Bicycles are to be parked and locked (lock provided by the owner) in racks provided for that purpose. Students who ride bikes to and/or from school are subject to school regulations of conduct.

Walkers

Walkers are subject to all rules governing student arrival and departure times. All walkers should walk on public sidewalks when available or on the side of the street. When leaving campus, students needing to cross a street should cross at a corner where supervision is provided. At North Bay, walkers will be dismissed from the designated area for car riders to parent/guardian by a teacher on duty.

CAR PICK-UP/DROP-OFF PROCEDURES

The administration and faculty realize that following these guidelines may require a little extra time on the parent’s part. However, we strongly encourage any person picking up a student to adhere to the prescribed procedure for the safety of all students. This procedure was put into place following a study of the traffic situation by the Bay St. Louis Police Department.

Car Line

Those parents, guardians or siblings who drop off or pick up NBE students must follow the prescribed procedure which involves approaching the school building’s front door from the north access road (which runs through the district sports complex). Drivers must follow the directions of the teachers on duty to insure the safety of all students near the car line.

ATTENDANCE

Philosophy

Regular and punctual school attendance is a vital aspect of developing and maintaining a successful educational experience. Regular and punctual attendance promotes a sense of responsibility, ensures educational continuity, facilitates academic growth, and prepares the student for his/her future career. Furthermore, daily attendance is important to both the school and the community in that it is the measure by which state funds are allocated to the school. While it is our belief that students have the primary responsibility for regular and punctual attendance to all classes, we recognize that parents, teachers, administrators, and other school personnel share in that responsibility.

Policy

It is the belief of the Board of Trustees for the Bay St. Louis-Waveland School District that a student's regular attendance in class directly affects his/her level of success. The attendance policy is designed to reward attendance at school and to provide guidelines for students to follow when absenteeism is unavoidable.

A student should adhere to the following attendance policy to assist in the earning of credit or promotion to the next grade for students on the block system who are attempting to earn carnegie units in grades 8 - 12:

- a. must be present 42 days for a half-credit course. (maximum 3 absences);
- b. must be present 84 days for a one-credit course. (maximum 6 absences);
- c. must be present 168 days for a year long course. (maximum 12 absences).

A student should adhere to the following attendance policy to assist in the earning of credit or promotion to the next grade for students in grades K – 8 who are not attempting to earn a carnegie unit.

- a. must be present 84 days for a semester course. (maximum 6 absences);
- b. must be present 168 days for a year long course. (maximum 12 absences).

Additional absences may be granted at the discretion of the BWSO for military-connected students whose parents are experiencing a deployment. The conditions under which the local schools may approve absences are: (1) the absences is preapproved; (2) the student is in good standing; (3) the student has a prior record of good attendance; (4) missed work is completed and turned in within the school's allotted time period; and (5) the absence is not during standardized testing dates.

Grades 8-12

Students who exceed this standard will not receive a grade nor Carnegie unit credit in the course. A notation of No Credit (NC) will be recorded on the report card and on the transcript.

K-12 Procedures

The parent will be notified of excessive absences which may result in the student's failure to be promoted or to receive credit for a course.

When a student is absent from school, the parent/legal guardian is requested to contact the school before class begins on each day the student is absent. In case of unreported absences, the school office will attempt to contact the parent/legal guardian.

Written documentation regarding the reason for the absence should be provided to the school office. Documentation may come from a dental or medical provider, parent/legal guardian, or court officer. In the event of a death in the immediate family, a copy of the obituary may serve as sufficient documentation.

In grades K-8, the first (3) valid parent notes (one note provides documentation for one day) will be excused. In grades 9-12, the first (3) valid parent notes (one note provides documentation for one day) per class will be excused. Parent notes must contain the reason for the absence, the date of absence, parent signature, and phone number. Additional parent notes will be taken into consideration during the appeals process.

If a student has been absent for ten consecutive school days without notifying the school office, he/she will be formally removed from the student roll. The school attendance officer will be notified.

The Bay St. Louis-Waveland School District supports school to career efforts through the general curriculum with planned programs and activities. As a general rule, we will not participate in events such as "Take Your Daughters to Work Day", "Groundhog Job Shadowing Day", or any other initiative that originates outside the school. Students who miss school for such events will be considered absent.

Penalties for Absence

- A student will not be permitted to take part in any school-sponsored extracurricular competition, event, or practice on the same day that he/she is absent from school for more than 60% of the day. Administrative, school-sponsored, and medical reasons are exceptions.
- Any student who exceeds the maximum number of absences allowed for a nine-week, semester or year long course will not be allowed to leave school early for school-sponsored extracurricular activities.
- Any student who exceeds the maximum number of absences allowed for a nine-week, semester or year long course will not be allowed to participate in special events including but not limited to awards ceremonies, class activities, and graduation exercises.
- Extenuating circumstances may exist and consideration for appeal will be given on a case by case basis; however, the facts concerning the absences must be well documented and submitted to the principal for review. Decisions for appeal will be determined by the school's Teacher Support Team.

Appeal Process for Excessive Absences

If a student has exceeded the maximum number of days allowed, he/she may not be awarded credit for the course or be promoted to the next grade level. All students will automatically be appealed.

Process that will be followed:

1. The appeal must be directed to the school principal or his/her designee, must explain circumstances that led to the absences, and must include sufficient documentation. The principal and/or designee shall forward the appeal to the Teacher Support Team. If the student was absent due to a long term illness, a letter from the doctor explaining the nature and length of the illness would be appropriate. Documentation from a doctor or officer of the court must be original and may be subject to verification. A fax originating from the appropriate office will be accepted.
2. Appeals not granted by the school's Teacher Support Team will be reviewed by a District Attendance Committee composed of teachers and administrators.
3. Upon completion of the review, the parent/legal guardian will be notified of the decision and a recommendation will be submitted to the Superintendent.

Make-up Work

- All work missed during an absence must be made up within the time allowed by the "one day plus" rule. For example, if a student misses school on Wednesday, all make up work is due Friday of the same week (1 day + 1 day missed). If a student misses Wednesday and Thursday, then all make up work is due the following Wednesday (1 day + 2 days missed).
- If an assignment is made prior to the student's absence and is due on the day the student returns, the "one day plus" rule will not apply and work must be submitted on the assigned day.
- Additional time may be granted for prolonged absences at the discretion of the principal.
- It is the student's responsibility to make up work due to an absence.
- **Not completing an assignment is NOT an OPTION.**
- Any student assigned to exclusion or suspended from school will be expected to complete assignments. A grade of zero (0) will be given for incomplete assignments.

Tardies and Early Checkouts

Tardies and early checkouts cause the student to miss valuable instructional time. Therefore, each school will have appropriate consequences for excessive tardies clearly defined in the student handbook. Tardies and early checkouts also count against perfect attendance. In grades 8-12, excessive tardies and early check outs may lead to a student failing to receive credit in any course as outlined in the attendance policy.

Any student arriving on campus when no faculty/staff member is on duty **MUST** be escorted to the office. Any student arriving after 7:55 a.m. **MUST** be escorted to the office by a parent to receive a tardy slip. Five tardies are allowed each semester with no disciplinary action taken.

CHECK-OUT POLICY

In order to provide for the best welfare of each student and the school, the following check-out procedures have been developed:

At registration, parents/guardians must complete a form, listing all adults (brothers, sisters, aunts, uncles, grandparents, friends, etc.) who may sign the pupil out in emergencies. **Under no circumstances will the student be permitted to leave school with anyone not on the sign out sheet.** Notes and phone calls requesting this will not be honored. Parents may add or remove names from this form by coming to the school office and making the appropriate changes. For the safety of the students, school personnel will require a picture I.D. of any person wishing to check out a student. Please advise any person listed on the sign out sheet of this procedure. No student may leave campus during school hours without being properly checked out through the principal's office.

Early check-outs cause students to miss valuable class and closure time. The entire class and the teacher are disturbed and instructional time is interrupted to see that your child has the instructions and materials to go home. Procedures for addressing check-outs are the same as tardies. After six (6) early check-outs a parent conference is required and the attendance officer will be notified. We respectfully ask that no student be checked out after 2:45 p.m. except in the case of an emergency.

PERFECT ATTENDANCE

Any student with 100% attendance during the school year will be recognized and rewarded by the administration at the end of the year during grade level awards ceremonies. **100% attendance means that a student attended school every day with no tardies or early checkouts.** Participation in field trips and other school related events does not constitute an absence except when the student is checked out through the office so that that he/she may ride in a personal vehicle.

MANDATORY SCHOOL UNIFORM POLICY

The Board of Trustees of the Bay St. Louis-Waveland School District finds it is appropriate to implement a mandatory school uniform policy for the following reasons:

1. Promote a more effective climate for learning with fewer discipline referrals
2. Increase safety and security
3. Foster school unity and pride
4. Eliminate label competition
5. Ensure appropriate attire

UNIFORM VENDORS

The uniform dress policy is a "generic" one in that the dress code allows parents the convenience of purchasing the basics from any store or catalog of their choice.

OTHER DRESS CODE CONSIDERATIONS

Each student has the responsibility to dress appropriately for the school environment. Wearing apparel, hair, and general appearance shall not disrupt the school environment, shall not be unusually provocative, or shall not violate health and safety rules of the school. These guidelines for dress and grooming are provided to assist parents and shall apply to all students in the public schools of Bay St. Louis and Waveland. Student dress and grooming shall be neat, clean and follow the general guidelines below.

1. Shirts are not required to be worn tucked into pants, skirts, slacks, shorts or skorts.
2. Students are prohibited from wearing additional "patches", pins, tattoos, earrings, jewelry, or any other item that may be considered lewd, profane, obscene, suggestive, vulgar, or distracting which may harass, threaten, intimidate, or demean other groups; or which display illegal merchandise or contraband; or any item which may distract from the educational process. Any heavy type chains used to attach wallets or as decorative use are prohibited. Visible body piercing is not allowed, **including but not limited to tongue piercing.**
3. Head coverings, including but not limited to caps, hats, bandannas, "doo" rags, hair curlers, sunglasses, or any "gang" paraphernalia, is prohibited. Exceptions to any head covering may include a hair net or cap required where long hair poses a health or safety threat near open flames, moving machines, or in food preparation classes or where required by a physician.
4. Oversize clothing is prohibited. The waistband of shorts, slacks, skirts, and similar garments shall not be worn below the waist. If belts, suspenders, or straps are worn, they shall be worn in place and fastened. "Sagging" and/or "low-riding" is prohibited.

2. Members of school sponsored cheerleading or athletic teams, dance or drill teams, choral groups, band, or any other group sanctioned by the school, shall be exempt from wearing

the school uniform on the day(s) they wear their pre-game/pre-performance attire, for example Friday dress attire. **Prior approval from school administration is required.** Pre-game/pre-performance attire must conform to the district's dress code and must be approved by the school administration prior to purchase.

HARDSHIP STATUS DETERMINATION

Any family seeking assistance (based on hardship) in implementing the policy shall contact the building principal where the student is enrolled.

Students who are homeless (for example children who live in a family shelter or orphanage) may be eligible for hardship status. A family filing for hardship status may be required to complete a form listing all sources of family revenue and major expenditures and provide the school a copy of the most recent federal/state income tax form. An evaluation on a case by case basis by school officials may determine if a hardship exists.

UNIFORM COMPLIANCE MEASURES

If necessary, disciplinary action may be taken to encourage compliance with the policy. Each school should strive to achieve full compliance through positive reinforcement and should resort to disciplinary action only when positive measures fail to ensure compliance. In addition, schools shall communicate with parents so that expectations, rationale and benefits are fully understood by the student and his/her family.

Prior to initiating any disciplinary action against a student not complying with the policy, a conference with the parent must be held with a school administrator to solicit parental cooperation and support. Disciplinary action is to be initiated only after all other means to secure support and cooperation as mentioned above have not succeeded.

Students new to the district and enrolling on or after the first day of school will have five (5) calendar days to comply with the mandatory uniform dress code.

Principals may exercise discretion on the first day of school only.

The administration at each school shall confer with the parent of each student who fails to comply with the dress code in an effort to ascertain the reason(s) for noncompliance.

DISTRICTWIDE PROCEDURES FOR NONCOMPLIANCE (K-12)

- Parents are called to bring clothing that meet uniform standards.**
- After 3 referrals, the student is placed on overnight suspension.**
- Additional noncompliance is treated as a discipline referral (open defiance). At North Bay Elementary, students also risk assignment to Saturday Detention.**

STUDENT CONDUCT

It is the goal of Bay St. Louis-Waveland District elementary schools to establish an educational climate in which student behavior is at all times exemplary and in which the important processes of education can best be carried out. To accomplish this goal, an atmosphere of harmonious and cooperative relationships built on mutual respect and understanding between students, parents, and teachers is necessary.

Significant interruptions of the educational process resulting from overt disrespect shown by student toward faculty members, raucous student behavior, and vulgar or otherwise discourteous actions are not permitted.

To provide a safe and orderly learning environment, it is necessary for students to obey any and all instructions of the faculty and administrators. If a student refuses to comply with these instructions, that student may be suspended from school until a conference between the principal and the student's parent/guardian can be arranged.

Please note that Mississippi statute 37-11-59 states that any parent, guardian, or custodian of a compulsory-school-aged child who willfully fails to attend a conference to which such parent, guardian, or custodian has been properly notified shall be subject to a misdemeanor charge and, upon conviction, shall be fined not to exceed two hundred fifty dollars (\$250.00).

Disciplinary actions which may result in overnight suspension and/or community service include but are not limited to the following unacceptable student behaviors:

- Profanity or vulgarity including acts or gestures
- Improper behavior
- Unauthorized fund raising while on school property
- Gambling or possession of gaming devices
- Loitering in unauthorized areas
- Stealing (to include restitution)
- Cutting classes
- Truancy

- Gang activity or association (Police contacted)
- Improper behavior in the cafeteria or on campus
- Improper behavior at assemblies or other school activities
- Disruption of classroom instruction

Disciplinary actions which may result in overnight suspension and/or out of school suspension or recommendation for expulsion include but are not limited to the following unacceptable student behaviors:

- Open defiance or disrespect to an adult
- Defacing or otherwise injuring property belonging to the school district (to include restitution for damages)
- Use or possession of fireworks
- Use or possession of tobacco related products and/or lighters
- Leaving campus without permission (Police contacted)
- Harassment, intimidation, or threatening of other students
- Sexual harassment and bullying
- Refusal to identify one's self properly when asked to do so by an adult
- Using forged or altered documents
- Fighting at school, on the bus, or at other school activities
- Use, sale, or possession of alcohol (Police contacted)
- Threatening a teacher
- Non-compliance with the uniform policy

Disciplinary actions which will result in an immediate suspension for up to nine (9) days and a recommendation for expulsion include but are not limited to the following unacceptable student behaviors:

Use or possession of dangerous objects and/or weapons (Police contacted)

Use, sale, or possession of a controlled substance (Police contacted)

Staff members that encounter students exhibiting unacceptable student behaviors will forward a completed discipline referral to the office. The principal, or his/her designee in his/her absence, will discuss the incident with the student and determine the appropriate consequence.

Appropriate consequences are determined by taking into account the severity of the infraction as well as the frequency of inappropriate behavior.

The basic objectives of discipline within the school setting are three-fold:

To establish conditions under which no student will be permitted to prevent any teacher from teaching or any student from learning.

To establish and maintain study conditions which are safe and conducive to learning.

To develop, on the part of each student, the habits and skills that make him/her self-directive and to help him/her realize that he/she is responsible for his/her own behavior.

It is the goal of North Bay Elementary to establish an educational climate in which student behavior is at all times exemplary and in which the important processes of learning can be accomplished. Effective discipline requires the shared responsibility of students, parents, and school personnel.

North Bay Elementary will continue to implement a School Wide Positive Behavior Support Plan (SWPBS). SWPBS is a *positive way of dealing with students in order to reduce discipline issues* and provide a link in the Response to Intervention process which is mandated in all schools. By addressing behavior early, we hope to increase the classroom instructional time and student time on task.

North Bay Uniform Free Dress Day

As part of the SWPBS at North Bay, the last Friday of every month is a designated uniform-free day. Throughout the month students will be able to earn the privilege of dressing out of uniform on that day. Students may earn that privilege by maintaining a record of:

- No teacher or office discipline referrals
- Perfect attendance with no tardies or early checkouts
- No uniform referrals

Free Dress

Students who earn Free Dress must follow the district dress code including these requirements:

Every component of the student dress should be appropriate in length and size.

Appropriate is defined as that which properly covers the body and in good taste.

Appropriate shoes and socks must be worn. Shoes must be navy blue, white, brown or black; no platforms, flip-flops, sandals, etc can be worn. Socks must be a solid color.

(Please refer to district policy beginning on page 9 for the complete dress code.)

All discipline at the elementary school level is based on three basic rules:

**** Be Safe ****
**** Be Respectful ****
**** Be Responsible ****

Positive Referrals

To promote positive student behaviors, elementary school faculty and staff are on the alert to “catch students doing what’s right”. Students may be awarded “Tiger Bucks” as a result of their positive actions. Each day students are nominated and selected as “**Tiger of the Day**” winners. Winning students are awarded certificates and various prizes.

In addition to “Tiger Bucks”, positive referrals to the principal are used as an incentive for exemplary student behavior. In such instances, students may earn even more valuable “Principal Bucks”. To achieve this recognition, a student must demonstrate behavior toward others that goes above and beyond normal standards of acceptable behavior.

Renaissance Club

The Renaissance Club is dedicated to bringing achievement, character, and attendance to new heights. Every student at North Bay Elementary School has an opportunity to be involved in one of the three levels of membership. **Diamond** members must achieve a 90% or above grade point average in all academic subjects, have no unexcused absences and no discipline referrals. **Silver** members must maintain an 80% or above grade point average or improve their average by 5 points in all academic subjects, have no unexcused absences and no discipline referrals.

No student who has an “F” averaged in any subject will qualify for the Renaissance Club. Random incentives are given as reward for maintaining Renaissance Club status. New students will not qualify for Renaissance Club until the following nine week period. A discipline referral may result in loss of Renaissance Club status for the remainder of the nine week period.

All documentation for excused absences must be submitted by the last day of the term to be eligible for the Renaissance Club.

EMERGENCY DRILLS

Fire & Bomb Threat – At the designated signal over the intercom system or by vocal announcement from an administrator or school employee, each student under the direction of their teacher will:

1. Line up at the door.
2. Proceed with class, walking single file, to the closest exterior exit and on to a safe area outdoors away from the building.
3. Remain in class group and await instructions.
4. When authorized, return to the classroom in an orderly fashion.
5. Resume class.

Tornado Drill – At the designated signal over the intercom system or by vocal announcement from an administrator or school employee, each student under the direction of their teacher will:

1. Line up at the door.
2. Proceed with class, walking single file, to the closest interior hallway or other designated area. Portable classrooms, outdoor classes, and the Field House should be evacuated to the main buildings.
3. Kneel in a “fetal position” (knees and elbows on floor with hands over the back of the head) with the head pointed at the wall. In prolonged drills, at the discretion of the teacher, students may sit on the floor with their back against the wall.
4. When authorized, return to class in an orderly fashion and resume class.

Lockdown Drill – At the designated signal over the intercom system or by vocal announcement from an administrator or school employee, each student under the direction of their teacher will:

1. Move to the nearest classroom where a teacher is present.
2. Identify himself/herself to the teacher, including which class he or she is assigned to be in at that time.
3. Remain in the secure location until an announcement of “all clear” has been given.

In the event of an emergency, parents are asked to tune to the local media for school announcements and instructions. Parents are encouraged not to come to the school or to phone the school during an emergency unless directed to do so by the local media announcements. This is to minimize confusion and to enable the staff to effectively carry out our predetermined emergency procedures. Our primary goal is to ensure the safety of each student.

DISCIPLINE

COMPLAINTS OF BULLYING OR HARASSING BEHAVIOR

Students and employees in the Bay St. Louis – Waveland School District are protected from bullying or harassing behavior by other students or employees. It is the intent of the Board and the administration to maintain an environment free from bullying and harassing behavior. This complaint procedure provides a process for filing, processing and resolving complaints of such conduct. Adherence to these procedures is mandatory. The failure of any person to follow these procedures will constitute a waiver of the right to pursue a complaint at any level, including review by the Board.

Definitions

Bullying or harassing behavior is any pattern of gestures or written, electronic or verbal communications, or any physical act or any threatening communication, or any act reasonably perceived as being motivated by any actual or perceived differentiating characteristic that (a) places a student or school employee in actual and reasonable fear of harm to his or her person or damage to his or her property, or (b) creates or is certain to create a hostile environment by substantially interfering with or impairing a student's educational performance, opportunities or benefits.

A "hostile environment" means that the victim subjectively views the conduct as bullying or harassing behavior and the conduct is objectively severe or pervasive enough that a reasonable person would agree that it is bullying or harassing behavior.

Bullying or harassing behavior will not be condoned or tolerated when it takes place on school property, at any school-sponsored function, or on a school bus, or when it takes place off school property when such conduct, in the determination of the school superintendent or principal, renders the offending person's presence in the classroom a disruption to the educational environment of the school or a detriment to the best interest and welfare of the pupils and teacher of such class as whole.

Procedures for Processing a Complaint

Any student, school employee or volunteer who feels he/she has been a victim of bullying or harassing behavior, or has witnessed or who has reliable information that a student, school employee or volunteer has been subject to bullying or harassing behavior shall report such conduct to a teacher, principal, counselor or other school official. The report shall be made promptly but no later than five (5) calendar days after the alleged act or acts occurred. The school official shall complete a "Bullying/Harassing Behavior" complaint form which shall include the name of the reporting person, the specific nature and date of the misconduct, the names of the victim of the misconduct, the names of any witnesses and any other information that would assist in the investigation of the complaint. The report shall be given promptly to the principal who shall institute an immediate investigation. Complaints against the principal shall be made to the superintendent and complaints against the superintendent shall be made to the Board chairman.

The complaint shall be investigated promptly. Parents will be notified of the nature of any complaint involving their child. The District official will arrange such meetings as may be necessary with all concerned parties within five (5) working days after initial receipt of the complaint by the District. The parties will have an opportunity to submit evidence and a list of witnesses. All findings related to the complaint will be reduced to writing. The District official conducting the investigation shall notify the victim and parents as appropriate when the investigation is completed and a decision regarding disciplinary action, as warranted, is determined.

If the victim is not satisfied with the decision of the District official, he/she may submit a written appeal to the superintendent. Such appeal shall be filed within ten (10) working days after receipt of the results of the initial decision. The superintendent will arrange such meetings with the victim and other affected parties as deemed necessary to discuss the appeal. The superintendent shall provide a written decision to the victim's appeal within ten (10) working days.

If the victim is not satisfied with the decision of the superintendent, a written appeal may be filed with the Board. Such appeal shall be filed within ten (10) working days after receipt of the decision of the superintendent. The Board shall, within twenty (20) working days, allow the victim and parents as appropriate to appear before the Board to present reasons for dissatisfaction with the decision of the superintendent. The Board shall provide a written decision within ten (10) working days following the victim's appearance before the Board.

NBE Discipline (grades 3, 4, and 5)

At NBE we encourage all students to behave in socially acceptable ways. We do have in place classroom and school-wide incentives to reward our students for good behavior and good citizenship. However, students who break classroom and/or school rules could be subject to either **after school** or **Saturday detention**. Students assigned to either detention will complete assignments given by their teachers. When a student is assigned to detention, that student is required to attend unless arrangements are made with the principal. Students and parents will be given written notice prior to the assigned date for the detention. This written notice requires the parent/guardian to provide information concerning arrangements for the student's transportation following the detention.

The following student behaviors may result in detention:

- Two missed homework assignments in one week
- Failure to complete assigned written work
- Failure to return Thursday Folder within specified time frame
- Failure to follow the School Rules and Behavioral Expectations as listed in this handbook
- Other student behaviors as deemed appropriate by school personnel.

After school detention is held on Wednesdays. Failure to report for detention as scheduled will result in further disciplinary action.

Overnight Suspension

Overnight suspension requires a conference between the principal and the parent/guardian before the student will be allowed to return to class. While the student is not officially placed in out of school suspension, it is the responsibility of the parent to meet with the principal to discuss the student's behavior. Overnight suspension may be used in conjunction with other disciplinary actions as deemed appropriate by the principal

SUSPENSION

Out of school (OSS) suspension is a forfeiture of participation in regularly scheduled school activities for the time designated during suspension. In all cases, parents must have a conference with the designated school administrator before the student will be allowed to return to classes. A telephone call will not be acceptable. Students are not permitted on campus or at any school activity during their suspension period.

Any student suspended from school shall not be allowed to make up work* and will receive a grade of zero (0) for all assignments and exams that are missed. (*Students may make up unit tests and/or major class projects previously assigned.) It is the responsibility of the student to turn in make-up work.

EXCLUSION

Exclusion will be used by high school, middle school and North Bay Elementary administration to place students in a highly structured classroom located at the Crossroads Learning Center in lieu of out of school suspension. The time served will be spent completing assignments made by the student's teachers or CLC staff. Students will be isolated from others throughout the day and will be expected to follow all rules, policies, and procedures of the CLC. To be eligible to return to their home school, students must be present for the days assigned, complete their assignments, and be in full compliance with the school uniform policy. No book bags are permitted.

EXPULSION

Expulsion is the total exclusion of the student from participation in or attendance at school or any school related activity. A student may be recommended for expulsion by the principal. A disciplinary committee hearing, or a meeting with the superintendent in some cases, is then held for the student. The disciplinary committee/superintendent may make a recommendation of expulsion to the school board. Only the school board has the power to expel a student from school. When a student is expelled from school, the period of the expulsion may be either for the remainder of the current school year or one full calendar year as determined by the severity and nature of the offense.

The student's parent, guardian, or custodian is responsible financially for his or her minor child's destructive acts, including fines incurred for criminal acts against property or persons. School districts are entitled to recover damages in an amount not to exceed twenty thousand dollars

(\$20,000) plus necessary court costs from the parents of any minor under the age of eighteen and over belonging to such school district.

Any expelled student must petition the School Board for re-entry to the school district.

SCHOOL BUS REGULATIONS

The privilege of riding the bus carries with it a responsibility on the part of the student. Students who accept this responsibility are welcome to ride; those who do not may be denied this privilege. Bus drivers are expected to keep order and discipline on the bus, but their major responsibility is to drive the bus; therefore, students are to follow these regulations included in this section.

Rules and Regulations of the State Board of Education Concerning Conduct Upon Public School Buses as Authorized by Chapter 15, Section 10, of the Extraordinary Session of 1953, and amended by House Bill 893 Laws of 1973: It shall be the duty of the passengers transported in school buses owned and operated or contracted by the public school districts to conduct themselves in an orderly manner. The passengers shall abide by rules and regulations of the State Board of Education and rules and regulations adopted by the boards for the respective school districts.

LOADING AND UNLOADING

1. Be at your bus stop or assigned loading zone on time.
2. Exercise extreme caution in getting to and from your bus stop.
3. Look in both directions before stepping from behind parked cars and before crossing any roadway.
4. Stay out of the roadway until the bus comes to a complete stop and the bus driver indicates that it is safe to move to the bus.
5. Do not play on or near the road while waiting for the bus to arrive.
6. Always walk on the left side of the road facing on-coming traffic and step off the road when a motor vehicle approaches.
7. Use the hand rail while getting on and off the bus.
8. When you must cross the road or enter the bus, or after leaving the bus, always cross in front of the bus upon the signal of the driver.
9. Students who ride a bus to and from school are subject to school regulations of conduct.

The school bus driver is empowered to enforce school regulations by reporting all student safety violations to the principal. If any pupil persists in disobeying any of the rules of good conduct, school officials may suspend or end free public transportation of the disobedient student.

WHILE ON THE BUS

- Students are to be courteous; follow the instructions of the bus driver.
- Students should not distract the driver except in an emergency.

- Students must identify themselves properly when requested to do so by the school bus personnel.
- Students should speak in a conversational tone; no loud talking.
- Students should remain seated on the bus at all times.
- Students should keep their entire bodies and possessions inside bus.
- Students should use the emergency door only in a true emergency.
- Students must sit in seats assigned by the driver.
- Students will be held financially responsible for any damage to the bus.
- Students are not allowed to get off the bus before arriving at school.
- Unauthorized articles are not allowed on the bus, (i.e., combustibles, large articles, pets, weapons, radios, toys, etc.).

The following are prohibited:

- a. Profane Language;
- b. Smoking or tobacco products;
- c. Fighting or scuffling;
- d. Consumption of food or beverages;
- e. Throwing objects within or from the bus.

Each passenger is expected to help in keeping the bus clean.

Any student desiring to ride a different bus or to depart at a different stop shall present to the driver a note signed by his or her parent and approved by the school principal. Please note that approval to ride a different bus simply to go home with another student for an overnight stay or for a visit will not be granted due to the limited space available on buses.

SCHOOL BUS DISCIPLINARY LADDER

A student's failure to conform to acceptable standards of behavior and courtesy while on a school bus will result in his/her being subject to disciplinary action. Should a student choose to break a rule, the following actions will be taken:

1. Warning issued to the student from the principal; parent contacted
2. Three (3) day bus suspension; parent/student conference required with the principal before student may ride the bus again.
3. Five (5) day bus suspension; parent/student conference required with the principal before the student may ride again.
4. Ten (10) day bus suspension; parent/student conference required with the principal before the student may again ride again.
5. Loss of bus privileges for the remainder of the school year.
6. A student may be placed at a higher level of the discipline ladder as deemed appropriate by the principal due to the student's behavior.

- Adult breakfast \$2.00
- Reduced student lunch \$0.40

*A la cart prices will follow market price changes.

- It shall be the responsibility of the principal to arrange the schedule so that the students will at all times enter the cafeteria, eat their lunch, and return to their classrooms in an unhurried and relaxed manner. Dissatisfaction with the manner in which the cafeteria prepares and serves food and any recommendation for improvement will be expressed to the principal who will take the matter under advisement with the Cafeteria Manager and Child Nutrition Administrator.
- No one except Child Nutrition employees shall be admitted to the kitchen during preparation and serving hours except repairmen, deliverymen, or other persons essential to the operation of the cafeteria.
- Relatives of Child Nutrition employees shall not visit during hours of operation or be granted privileges denied to other students

- The Child Nutrition Program shall serve only those foods which are components of the approved federal meals pattern being served (or milk products) and such additional foods as necessary to meet the caloric requirements of the age group being served.
- With the exception of milk products and bottled water, a student may not purchase individual components of the meal without taking a complete reimbursable meal.
- Students who bring lunch from home may purchase only milk and/or bottled water.

- Further, this section will comply with all applicable provisions of the State of Mississippi Department of Education Policy and Procedure Manual for Child Nutrition Programs, July 2000, and with all other applicable federal and state laws.

If your check is returned by your bank it will automatically be forwarded to Payliance for collection of the face amount plus the state allowed collection fee of \$40.00."

PAGERS, CELL PHONES, ELECTRONIC DEVICES

Radios, walkmans, pagers, electronic games, telephones, or other electronic devices are not allowed in school and shall be confiscated by the teacher when found. Consequences for offenses are listed below:

First Offense: The electronic device is confiscated and turned over to the principal.

A parent or legal guardian may pick up the item from the office at the close of the school day.

Second Offense: The electronic device is confiscated and turned over to the principal.

An optional fine of \$40 may be paid or the item is held in the office for 1 week.

A parent or legal guardian may pick up the item from the office at the close of the school day if the fine is paid or at the end of the 1 week period.

Third Offense: The electronic device is confiscated and turned over to the principal.

The item will be held in the office for the **remainder of the school year.**

No device will be released prior to the close of the school day on the same day it is confiscated.

The device will not be released to anyone other than the parent or legal guardian.

All money from fines will be deposited into the district's student assistance account to be used for student purposes only. A receipt will be issued to the parent or legal guardian when the fine is paid. Students who are using the device or who refuse to hand over the device will be subject to school disciplinary consequences.

The Mississippi Public Schools Accountability Standards, 2006, prohibits the possession and/or use of any electronic communication device, including cell phones and personal digital assistance devices, by students during the administration of scheduled statewide tests. Possession of any such device, even if it is not being used, is a violation of state policy. A student having a cell phone (or other electronic device) in his/her possession anywhere on his/her person during the test administration is a testing violation. The consequence of this testing violation is that the test results for that student will be invalid; therefore, the score of any student in possession of these prohibited devices during the test administration will be invalid and therefore automatically non-passing.

INTERNET ACCEPTABLE USE POLICY (Policy IJNDB)

Internet access is available to students and teachers in the District. Appropriate and equitable use of the Internet will allow employees and students to access resources unavailable through traditional means.

The Internet can provide a vast collection of educational resources for students and employees. It is a global network that makes it impossible to control all available information. Because information changes constantly, it is not possible to predict or control what students may locate. The District makes no guarantees as to the accuracy of information received on the Internet. Although students will be under teacher supervision while on the network, it is not possible to constantly monitor individual students and sites they are accessing. Some students might encounter information that may not be of educational value even though filters are in place to protect students from inappropriate access. Additionally, the District will monitor Internet activities to deter students from accessing inappropriate sites. The District will also comply with the **Children's Internet Protection Act (CIPA)** and the **Children's Online Privacy Protection Act (COPPA)**.

Teachers who have students accessing the Internet are responsible for explaining this policy and instructing them on network etiquette.

District Internet users will:

- Be polite and use appropriate language in their messages to others;
- Not reveal their own or anyone else's personal address, telephone number, password, **social security number, or any other personal identification information.**
- Recognize that electronic mail (E-Mail) is not guaranteed to be private and is the property of the District;
- Use only their District assigned Internet/E-Mail account;
- **Not use public "chat rooms" or other such forums;**
- **Immediately report to District authorities any attempt by other Internet users to engage in inappropriate conversation or personal contact;**
- Use the network in ways that do not disrupt the use of the network by others; and
- Not harm nor destroy data of another user including the uploading or creation of computer viruses to the District computers/networks, or to other computers/networks that are connected to any part of the Internet.

Illegal and/or Unacceptable Usage:

- **User agrees not to access, transmit or retransmit any material(s) in furtherance of any illegal act or conspiracy to commit any illegal act in violation of local, state or federal law or regulations and/or school district policy.**
- **User shall not access, transmit, or retransmit: copyrighted materials (including plagiarism), threatening, harassing, or obscene material, pornographic material, or material protected by trade secret, and/or any other material that is inappropriate to minors.**
- **User shall not access, transmit, or retransmit any material that promotes violence or the destruction of persons or property by devices including, but not limited to the use of firearms, explosives, fireworks, smoke bombs, incendiary devices, or other similar materials.**

- **User shall not use the network for any illegal activity including, but not limited to, unauthorized access including hacking.**
- **User shall not access, transmit, or retransmit language that may be considered offensive, defamatory, or abusive.**
- **User shall not access, transmit, or retransmit information that could cause danger or disruption or engage in personal attacks, including prejudicial or discriminatory attacks.**

User Rights:

- **User shall have the responsibility to use computer resources for academic purposes only. Therefore, as mandated by CIPA, filtering will be utilized on all computers accessing the Internet. The only exception will be for academic research by a staff member with the approval of school administration.**
- **The Bay St. Louis-Waveland School District will fully cooperate with local, state or federal officials in any investigation related to illegal activities conducted through the user's Internet account.**
- **Under no conditions should a user provide his/her password to another person or use another person's password.**
- **User should not expect files stored on a school-based computer to remain private. Routine review and maintenance of the system may indicate that user has violated this policy, school codes, municipal law, state law or federal law.**
- **Individual schools within the district may create additional guidelines and procedures consistent with this policy. Such guidelines and procedures will be appropriate for the electronic information resources being used and the students served at the school.**

Use of the Internet is a privilege, not a right. Unacceptable and/or illegal use may result in denial, revocation, suspension and/or cancellation of the user's privileges, as well as disciplinary action imposed by school officials.

User shall not access, transmit or retransmit information that harasses another person or causes distress to another person.

Parents/Guardians are responsible for discussing the Internet Acceptable Use Policy with their children. **Parents/Guardians who object to allowing participation by their child must notify the principal of such in writing.**

All District Internet Users (e.g. students, teachers, employees) are responsible for abiding by this policy. This policy is a legal and binding document. Users who disregard this policy shall have their privileges suspended or revoked for a specified period of time determined by the Technology Coordinator and the Superintendent if the user has purposefully abused his or her Internet privileges. Users granted access to the Internet through the District assume personal responsibility and liability, both civil and criminal, for users of the Internet not authorized by District policy.

SELLING ITEMS ON CAMPUS

The sale or trade of anything, including candy, Pokemon cards, jewelry, and other personal belongings, on school property is prohibited without special permission from the principal.

TOYS, GAMES, ETC.

To minimize disruptions and prevent the possibility of theft or damage, toys will not be permitted at school. This includes, but is not limited to items such as laser pointers, radios, tape players, games, beepers, yo-yos, sports cards, Pokemon cards and paraphernalia, sunflower seeds, etc. In addition, video computer games and tapes (ex. Gameboys) are not permitted at school. If this rule is broken and an item confiscated from a student, it will be given to the parent or guardian upon request in the principal's office.

TOBACCO RELATED PRODUCTS

Possession or use of any tobacco product on campus, while on a school bus or at a bus stop is prohibited. In addition, students are not permitted to be in possession of lighters.

Automatic Expulsion for Weapon or Controlled Substance Possession

Section 37-11-18 Mississippi Code

Any student in any school who possesses any controlled substance in violation of the Uniform Controlled Substances Law, a knife, handgun, other firearm or any other instrument considered to be dangerous and capable of causing bodily harm or who commits a violent act on educational property as defined in Section 97-37-17, Mississippi Code of 1972, shall be subject to automatic expulsion for a calendar year by the superintendent or principal of the school in which the student is enrolled; provided, however, that the superintendent of the school shall be authorized to modify the period of time for such expulsion on a case by case basis. Such expulsion shall take effect immediately subject to the constitutional rights of due process, which shall include the student's right to appeal to the local school board.

MEDICATION

School Board Policy limits the dispensation of medications for chronic illnesses to those prescribed by a physician. A completed consent form must be on file in the nurse's clinic. All medication must be in the original prescriptive container and appropriately labeled. All medication must be brought to school by the student's parent or guardian and given to the school nurse. **NO MEDICATION MAY BE BROUGHT TO SCHOOL BY A STUDENT.**

HEAD LICE

Parents/guardians of students found to have head lice will be required to provide **proof of proper treatment before the child is allowed to return to class. A parent or guardian must accompany the student to the nurse's clinic before the student is allowed to return to school. A head check will be conducted upon reentry.** There are numerous items which treat this condition available at the local store. Additional information may be obtained from the school nurse or the health department regarding the proper treatment for your child and your home. Only one day of absence shall be documented for each occurrence.

CONTAGIOUS DISEASES, SERIOUS INJURIES, ETC.

Any student who is found to have a contagious disease, or a serious injury, may be required to present a doctor's certificate of clearance to the office prior to the student being allowed to return to class.

GRADING SYSTEM AND REPORTING

K-5

The Board of Trustees of the Bay St. Louis-Waveland School District believes that a well planned and competently administered student evaluation program is an essential component of the instructional program. The Board further believes that the regular and effective reporting of student progress toward the attainment of goals and objectives is imperative. The Board realizes that the primary function of the district's student evaluation program is to measure as accurately and objectively as possible each student's progress toward the attainment of goals and objectives set by the district and the student.

The Board of Trustees encourages all students to attain their highest possible level of achievement. The evaluation and reporting of student academic performance can play an important part in helping students to remain focused on achievement. Teachers should use a variety of ongoing, developmentally appropriate methods to measure student progress such as tests, exams, quizzes, projects, reports, homework, class participation, and other assignments. Academic grades should not be lowered as a result of unsatisfactory conduct except in cases of cheating. Careful consideration should be given to all work and each piece of work or each assignment may be valued according to the individual teacher's grading rationale. Failure on one test or assigned task except for instances of cheating or failing the final exam is not sufficient basis to prevent passing. One passing grade is not sufficient basis for passing a course when all other grades are failing grades.

Performance assessment relates directly to classroom work and allows for different learning styles. It also stresses "thinking" skills including making decisions, seeing relationships, and using concepts. Students are encouraged to become more responsible for their own progress. Standardized tests have limitations and do not take into consideration different learning styles or cultural backgrounds. Performance assessment evaluates the "whole" child and focuses on active learning.

- There shall be four grading periods of nine weeks each.
- A minimum of nine grades shall be recorded in each academic course during each nine week period, except for Science and Social Studies. Six grades per quarter shall be recorded for Science and Social Studies.
- Progress reports will be completed by the teacher and sent to the parents/ guardians on a regularly scheduled basis beginning with the end of the first six weeks of school.
- A semester grade shall be the average of the two nine week periods. The yearly grade shall be the average of the two semester grades.
- Alpha letter grades will be used on report cards and transcripts for students in grades kindergarten through second grades. The following grading scale applies:

A 90-100	D 60-69
B 80-89	F 59 and below
C 70-79	I Incomplete
D 60-69	
- A grade of S (Satisfactory) or U (Unsatisfactory) will be given in music, art, and physical education.
- Special education students receive grades on the general education reporting instruments and the service goal report of progress form. Grades for students receiving special education services are determined by the teacher serving the student for each subject area. The course grade for students served by a general and special education teacher for the same subject is cooperatively determined by the teachers.

- No grade (NG) is required on a progress report or report card if the student has been enrolled in the school fewer than 20 school days of the grading period and/or there have been no grades received from the previous school for that time period.
- Students coming from another school system or private school are given the grade the sending school indicates. The final grade is determined by combining the transfer grade and the grades earned in this district's school.
- Students withdrawing from a school within this district are given the grade they have earned in each subject up to the date of withdrawal.
- Report cards shall be issued at the end of each nine week period. It shall be the responsibility of the superintendent to establish reporting procedures and develop reporting instruments for use by the district.
- Teachers should make every effort to grade and report student work as fairly and accurately as possible. However, a student and/or parent who believes that an error has occurred may ask the teacher to review the grade or report and to modify it if an error is found. If the student and/or parent is not satisfied with the teacher's response, he/she may ask the principal for a review. The principal's decision is final.
- Student conduct shall not be considered when computing the nine week grade. Assessments shall be reflective only of academic performance.
- Teachers should notify parents/guardians by personal contact or in writing (in addition to the standard progress report) if a student is in danger of receiving a failing grade (F) for a nine week period or is experiencing a significant decline in achievement. This contact should occur as early as possible during the grading period. Documentation of parent/guardian notification must be kept by the school.

In order to help assure appropriate achievement as students progress through their school experience, the Board of Trustees for the Bay St. Louis-Waveland School District establishes the following basic guidelines for promotion and retention.

A student shall be promoted when, in the professional judgment of the teacher, principal, and possibly other school staff, he/she has successfully met instructional level standards in math, reading, and language arts for the following:

- State adopted curriculum
- District adopted curriculum guide
- Student report card
- Students shall not be retained for extra-curricular purposes.

When the fourth term progress report is sent home, the teacher will have a parent conference with the parent/guardian of any student who is in danger of being retained. Documentation of parent/guardian conference will be kept by the teacher, and a copy will be sent to the Teacher Support Team chair person.

The Teacher Support Team shall review the educational record of any student who has failed to meet any promotion standards. Placement of the student for the next school year will be determined by this committee. A written report of the exceptions for promotion shall be filed in the office of the principal and with the superintendent.

Honor Roll 3-5

Grade point averages will be computed each nine-week period using all grades from subjects graded numerically. In computing grade point averages the following values are used to correspond with grades:

A	(90 - 100)	4 points	D	(60-69)	0 points
B	(80 - 89)	3 points	F	(0 - 59)	0 points
C	(70 - 79)	2 points	I	(Inc.)	0 points

Alpha Honor Roll 3.5 - 4.00

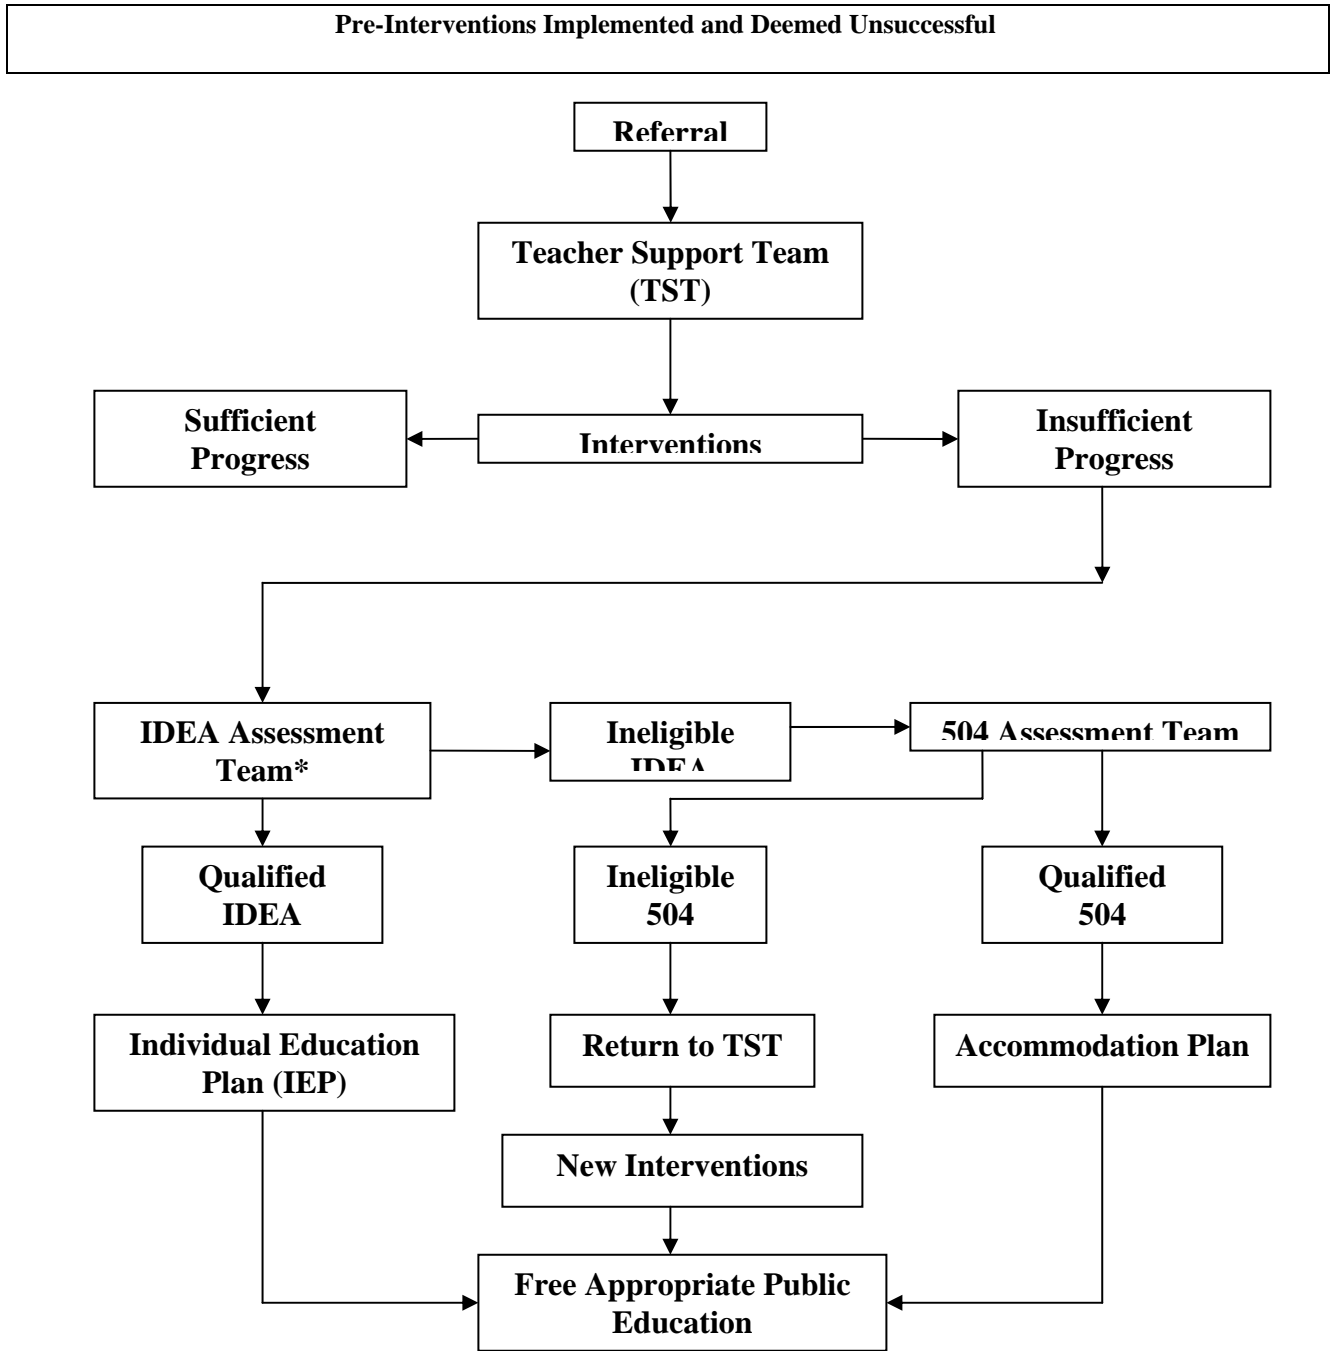

Beta Honor Roll 3.0 - 3.49

No student with grades D, F or U in any subject will be considered for the Honor Roll. Honor rolls may be published in the local newspaper.

SPECIAL EDUCATION/504

Special education classes are available for students who are eligible and qualify for such classes. Accommodations for students who meet criteria under Section 504 will also be considered.

**Teacher Support Team/Student Intervention Process
Referral-To-Placement Process**

Student Assistance Requests

When any verbal/written statement/request is received from a parent, teacher, student, or other referring source, the following procedures will be followed:

1. The person receiving the request shall complete the Request for Assistance form and forward the referral to the Teacher Support Team Chairperson at the appropriate school. The referral form shall be available to any employee of the school district or outside referring agency.
2. The Teacher Support Team shall follow established procedures to assure that each student's individual needs are appropriately evaluated and addressed.
3. Parental input will be guaranteed by appropriate parent notification of meetings and the assurance that all applicable procedural safeguards will be followed.

GUIDANCE AND COUNSELING

It is the objective of the elementary school Guidance Department to help each student profit as much as possible from his/her school experiences. The emotional and social well-being of the student directly affects his/her learning.

The guidance and counseling process is based on an understanding of each student, gained from his/her cumulative record, his/her individual background, and from the analysis of test results. The counselor's role includes assisting students in obtaining information about themselves, their values, vocational and educational interests, aptitudes, and abilities, thereby enabling them to use this information on making decisions. Emphasis is placed upon the ability of the student to make wise decisions and solve his/her problems independently in order that he/she may grow and mature, making his/her unique contribution to society in a positive manner. If at anytime you, the student, or your parents, want information or assistance, please contact the guidance office. All confidences are respected. Appointments for parent-teacher conferences may be made by calling the NBE office at 467-4052.

FAMILY EDUCATION RIGHTS AND PRIVACY ACT

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. These rights are: (1) The right to inspect and review the student's education records within 45 days of the day the School receives a request for access.

Parents or eligible students should submit to the School principal [or appropriate school official] a written request that identifies the record(s) they wish to inspect. The School official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

(2) The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate. Parents or eligible students may ask the School to amend a record that they believe is inaccurate. They should write the School principal [or appropriate school official], clearly identify the part of the record they want changed, and specify why it is inaccurate. If the School decides not to amend the record as requested by the parent or eligible student, the School will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

(3) The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the School as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the School has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the School discloses education records without consent to officials of another school district in which a student seeks or intends to enroll. [NOTE: FERPA requires a school district to make a reasonable attempt to notify the parent or student of the records re-quest unless it states in its annual notification that it intends to forward records on request.]

(4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by the *School District* to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202-5901

FERPA para las Escuelas Primarias y Secundarias

La Ley de Derechos Educativos de la Familia y la Confidencialidad (*Family Educational Rights and Privacy Act*), conocida por sus siglas en inglés FERPA, confiere a los padres y los estudiantes mayores de 18 años (denominados “estudiantes aptos”) ciertos derechos con respecto a los expedientes académicos o registros educativos del estudiante. Estos derechos son:

(1) El derecho a inspeccionar y revisar el expediente del estudiante en un plazo de 45 días contado de la fecha de petición de acceso. El padre o estudiante apto debe presentar al director de Escuela [o el correspondiente funcionario escolar] una petición por escrito que señale el documento o los documentos que desea inspeccionar. El funcionario de escuela se encargará del acceso y de notificar al padre o el estudiante apto respecto a la hora y el lugar donde los documentos se pueden inspeccionar.

(2) El derecho a solicitar una modificación del registro que el padre o el estudiante apto estime inexacto o equívoco. Un padre o estudiante apto puede pedirle a la escuela que se modifique un registro que él considere inexacto o equívoco. Debe dirigirse por escrito director de la escuela [o al correspondiente funcionario], señalar con claridad la parte del registro que desea que se modifique, y especificar por qué es inexacto o equívoco. Si la escuela determina no modificar el registro en el sentido de la petición presentada por el padre o el estudiante apto, la escuela notificará al padre o el estudiante apto sobre la decisión y le avisará sobre su derecho a una audiencia en relación con la petición de modificación. Se proporcionará información adicional al padre o el estudiante apto sobre el procedimiento de audiencia al ser notificado sobre el derecho a audiencia.

(3) El derecho a dar consentimiento para la divulgación de información susceptible de identificación personal contenida en los expedientes académicos del estudiante, salvo en los casos señalados por FERPA que autorizan la divulgación sin consentimiento.

Una excepción, que permite la divulgación sin consentimiento, se trata de la divulgación a los funcionarios escolares con intereses educativos legítimos. Un funcionario escolar es un empleado de la escuela en calidad de administrador, supervisor, instructor, o personal de apoyo (incluyendo el personal

de salud o médico y el personal de la unidad de seguridad o policial); una persona que integre el Consejo Escolar; una persona o compañía con la cual la escuela contrate para desempeñar una función particular (como un abogado, un auditor, un consultor médico, o un terapeuta); o un padre o estudiante que se desempeñe en un comité oficial, tal como un comité de disciplina o de procedimientos conciliatorios de disputas laborales, o que asista a otro funcionario escolar en el ejercicio de sus funciones. Un funcionario tiene un interés legítimo si el funcionario necesita revisar un registro educativo a fin de cumplir con su responsabilidad profesional.

[Optativo] A petición, la escuela divulgará sin consentimiento registros educativos a los funcionarios de otro distrito escolar en donde el estudiante piensa o pretende matricularse. [NOTA: Según lo dispuesto por FERPA, un distrito escolar tiene la obligación de hacer un intento razonable de notificar al padre o el estudiante apto sobre la petición de expediente a no ser que se señale en su notificación anual que tiene la intención de hacer llegar los expedientes en respuesta a la solicitud.]

(4) El derecho a presentar un reclamo ante el Departamento de Educación de EE.UU. respecto al presunto incumplimiento con los requisitos de FERPA por parte de la Escuela. El nombre y la dirección de la Oficina que administra FERPA son:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202-5901

[NOTA: Además, puede ser conveniente para una escuela incluir su aviso público de información de directorio junto con su notificación anual de derechos conforme a FERPA, según lo dispuesto por § 99.37 de las regulaciones.]

REQUEST FOR STUDENT RECORDS

Federal law states that an educational agency or institution may transfer a student's record, on request, to a school in which a student seeks or intends to enroll, without written consent of students or parents, if the agency or institution includes notice in its policies and procedures as formulated under Section 99:5. This is your notification that should your child enroll in another school or school system, his cumulative record will be sent to the school upon our receipt of notification of the student enrolling in said institution. No further notice of transfer is required.

When a student withdraws from North Bay Elementary official school records will be mailed to a receiving school upon receipt of that school's request.

STUDENT WITHDRAWALS

Students who plan to transfer to another school are asked to report to the office with a parent or legal guardian on or before the beginning of the last full day that the student will attend the school. At this time he/she will receive the proper withdrawal form(s) which are to be signed by parent/legal guardian and completed by his/her teachers indicating the grades earned by the student while attending North Bay Elementary or a copy of the latest Student Profile/Narrative of any student attending North Bay. At the

end of the school day, these forms will be returned to the office in order for the student to receive a transfer form.

CHANGE OF ADDRESS/GUARDIANSHIP

Should there be a change in the student's address, it is the responsibility of the parent/guardian to notify the school office. Two "Proofs of Residency" must be provided. If the student is a bus rider, this documentation is required before the student is allowed to change buses. In the event of a change in legal guardianship of student, a copy of the court records must be provided for the student's cumulative record.

SCHOOL LIBRARY

Students and teachers have unlimited access to all books and other materials belonging to the school library. Students may enter the library at any time during the day with permission from the teacher – providing the librarian is available and a class is not in session.

Periodicals are kept on file for five years. Single volumes of encyclopedias with a copyright date five years old or older may be checked out overnight.

Books are checked out for a one week period and may be renewed 2 other times for one week periods. Students are responsible for books which they check out. Students will be required to pay for lost or damaged books. A fine of five cents (\$.05) per day is charged for every library book overdue. Students may check out one book per library visit.

TEXTBOOKS

Student textbooks are furnished by the State in most instances, based upon a useful life of five years. Students will be required to pay for unnecessary damage of a book which would render it useless before the five year period.

Before receiving free textbooks, each student may be required to present to the principal's office evidence that all books from the previous year were returned and all fines paid.

Parents assume financial responsibility for textbooks issued to students until the books have been returned.

The following code will be used to note the condition of the textbook at the time it is issued to the student: N=New, E=Excellent, G=Good, F=Fair, and P=Poor.

Students are required to maintain textbooks in good condition, and bring textbooks to class at all times unless otherwise stated by the teacher.

Should a student lose a textbook, a replacement book must be purchased. Replacement costs will be prorated on the basis of the age of the book and its original cost as follows:

<u>Years Used</u>	<u>Prorated Price</u>
New - 1 year	100% of purchase price
1 - 2 years	75% of purchase price
2 - 3 years	50% of purchase price

3 or more 25% of purchase price

TELEPHONE

The office telephone is to be used by students ONLY in case of illness or an emergency. Students are expected to make necessary transportation and materials arrangements before they come to school. Forgotten books, assignments, and/or notes are not considered to be emergencies. Students should also make arrangements for after school activities before coming to school.

ASSEMBLIES

The objectives of assembly programs are:

To provide opportunities for students to share interests and experiences;

To develop proper audience habits and attitudes;

To provide an opportunity for students to cooperate with others in creating, directing, and participating.

The nature of an assembly is public. Appropriate student behavior should reflect politeness, respectfulness, and appreciativeness. Presenters at assemblies are guests of the school and should be treated with respect and dignity.

Students should enter the assembly area quietly, under faculty supervision, and be seated. Be courteous by listening attentively to the speaker or performance. Do not disturb the audience by talking and applaud politely. Failure to comply with standards of acceptable behavior may result in the student's removal from the assembly.

At the end of assemblies, students should leave in an orderly fashion: avoid loud talking, whistling, loitering, running, and crowding.

PARTIES AT SCHOOL

Each class is allowed two parties per year to be chosen from: Halloween, Christmas, Valentine's, Easter, or end of the year. **Students will not be allowed to hold birthday celebrations during school hours. Do not send items to school to celebrate birthdays, i.e.: balloons, flowers, cakes.**

EXTRA-CURRICULAR EVENTS

Students must be in attendance at least 60% of the day to be eligible for participation in any school related extra-curricular activity (example: PTO programs, club meetings, etc.). The principal may modify the policy for extenuating circumstances.

Permission to attend after school events and transportation arrangements should be secured by the student prior to coming to school on the day of the event. Students will not be allowed to make telephone calls to obtain this information.

CROSSING THE STREET

When crossing any street going to or from school, remember to:

- *Walk***
- *Look both ways***
- *Cross between the yellow lines***

VISITORS

Visitors and/or parents are welcome in any of our classrooms. Upon arrival, all visitors should report directly to the principal's office to sign-in and receive a visitor's pass. This visitor's pass should be worn at all times while on campus. Visitation during instructional time is limited to adults only.

PARENT CENTER

The Bay St. Louis-Waveland School District is proud to have a Parent Liaison who will offer a wide variety of activities to assist parents/guardians in working with their children at home. A Parent Resource Center is located at North Bay Elementary. Please call 466-4178 for the days and hours that the Parent Resource Center is open.

Throughout the school year, parent workshops are also offered to provide information on parenting skills, ways to develop study skills in children, and relevant topics relating to the home-school connection. If you have a suggestion for a workshop topic or a particular need in working with your child, please let us know.

Parent-Teacher Organization

Parents, teachers, and other interested persons are encouraged to participate in the Parent/Teacher Association. P.T.O. meetings are held as follows:

NBE - the third Thursday of each month at 6:00 p.m.

The organization encourages close cooperation between home and school and is important to the successful development of a child.

The P.T.O. engages in many activities, all designed toward improving the lives of the children. Parents and teachers work closely together to help the school and provide better opportunities for its students. Some of the items and activities sponsored by the P.T.O. are: yearbook, field day, field trips, science fair, etc. Occasionally, events are held to raise funds for special equipment for the school. Any child owing money to PTO may not attend any PTO sponsored functions.

LOST AND FOUND

A place for lost and found articles has been designated at each elementary school. Any student who finds an article should take it to the designated location immediately so that the owner may claim it. Articles left in the Lost and Found will be donated to Goodwill Industries at the end of each semester. The school will not be responsible for these items.

THURSDAY FOLDERS

Ongoing communication between teachers and parents is crucial. Every effort will be made to send all graded work and parent communications home with students through the use of Communication Folders. At NBE one of these folders will be provided to the students at no charge. At NBE, additional folders must be purchased in the office for \$1.00. These folders should be signed by the parent/guardian and returned to the teacher as directed.

STUDENT PLANNERS

Good organizational skills play a large part in the educational success of students. Because of this, NBE will provide each student with a daily student planner. Instruction will be provided on organization and suggestions made to the students on how to pace themselves for long term assignments such as book reports and projects.

Each student will be required to bring his/her planner to class every day. In addition to students recording homework and upcoming assignments, the planners will be used on an “as needed” basis for daily communication between teachers and parents. Replacement planners will be available in the office at a cost of \$3.00.

SUCCESSFUL STUDY HINTS

To have a happy, successful school life students must develop proper study habits. A few suggestions for success are:

- Have a regular time and place to study.
- Have all necessary books and supplies ready.
- Have eyes tested once a year.
- Eat proper foods.
- Keep up with your assignments from day to day.
- Get proper rest.

AGENDA REQUEST PROCEDURES

Introduction

Communicating with each other is key to maintaining a high level of understanding when decisions are made that affect our students. Realistically, we know there will be times when conflict arises due to decisions or changes. The following provides an outline of procedures that will assist you in the event you perceive a decision is not fair or does not promote the overall good of the district.

Procedures

- Express your concerns to your child’s teacher (if applicable). If the issue is not resolved to your satisfaction, you need to meet with the building level principal.
- Meet with the principal to share your concerns. If the issue is not resolved to your satisfaction, schedule a meeting with the assistant superintendent or superintendent (467-6621).
- If you continue to feel the problem has not been resolved after meeting with the superintendent, you may request to address the Board of Trustees. The superintendent will provide you with the appropriate

paperwork to formally request to meet with the Board at the next regularly scheduled meeting. Your name will then be placed on the agenda.

ANNUAL REPORT TO PARENTS

The Federal Environmental Protection Agency (EPA) requires that on an annual basis each school district notify every parent and employee of the status of any asbestos in the school. This report will serve as the annual notification by the Bay St. Louis-Waveland School District.

The School District completed the required inspection report. There was no major change in the report. A copy of this report is on file in the school administration office and is available to the public for review.

BAY ST. LOUIS - WAVELAND SCHOOL DISTRICT PARENT INVOLVEMENT POLICY

It shall be the policy of this school district to implement programs, activities, and procedures for involvement of parents in programs assisted under Title I consistent with the provisions of Sections 1118. Such activities shall be planned and implemented with meaningful consultation with parents of participating children.

The school district shall develop jointly with, agree upon with, and distribute to, parents of participating children a written parent involvement policy that is incorporated into the school district's plan developed under Section 1112, establishes the expectations for parent involvement and describes how the school district will involve parents in the planning, review and improvement of the Title I Program.

| The Goals of Parent Involvement are as follows:

1. To provide effective and positive communications between schools, home and community;
2. To promote parent and community involvement so that parents and community members become effective partners in education; and
3. To provide parenting education awareness training programs and activities that are beneficial for parents and children.
4. Actively recruiting the support and involvement of parents in the education process.

To achieve these goals the Bay St. Louis - Waveland School District Title I program will:

1. Convene annually a public meeting for parents of eligible Title I students at each school site to seek parental input into the planning, design, and implementation of Title I project. If possible, these meetings will be held at flexible times to better coordinate with the hectic schedules of families.
2. Notify parents of student selection for Title I service, types of services available, and identification of Title I staff.

To further meet the requirements of Section 1118 of Title I, the school district shall provide parents of participating children:

- D. opportunities for regular meetings to formulate suggestions, share experiences with other parents, and participate as appropriate in decisions relating to the education of their children if such parents so desire.

Each school served under Title I may amend the district's Parent Involvement Policy, if necessary, to meet the requirements of Section 1118(b).

As a component of the school-level parental involvement policy, each school shall jointly develop with parents for all children served under Title I a school-parent compact that outlines how parents, the school staff, and students will share the responsibility for improved student achievement and the means by which the school and parents will build and develop a partnership to help children achieve the State's standards.

ASSESSMENT OF PARENTAL INVOLVEMENT, TITLE I PROGRAM

Non-Sufficient Funds Check Collections

In an effort to reduce time spent on the collection of NSF checks, the Bay St. Louis-Waveland School District will contract with a company that has expertise in the area of collections and guarantees payment of up to \$250 for each bad faith check transaction.

The Bay St. Louis-Waveland School District has an agreement with Payliance Inc. for the collection of all returned checks issued to all Bay St. Louis-Waveland School District locations.

The School Board requires that you include full name, street address, and home phone number on all checks written to the school district. If your check is returned by your bank it will automatically be forwarded to Payliance for collection of the face amount plus the state allowed collection fee of \$40.

All checks submitted to any school or school organization within the district that are deemed “non-sufficient funds”, shall be forwarded from the depository to the contracted company to collect said funds.

Each account in receipt of a worthless check of \$250.00 or less will automatically receive payment from the collection agency the following month. Public funds cannot be used to cover bad debt of an individual or organization. Such debts cannot be written off as might be acceptable in private industry.

The superintendent will develop and distribute procedures for the implementation of this policy and will properly notify the community charges associated with NSF check collections.
